Transport Infrastructure and Systems in a changing world
Towards a more sustainable, reliable and smarter mobilty
23rd - 24th September 2019, ROME (ITALY)

Following the success of the 1st edition of the International Congress "Transport Infrastructure and Systems" (TIS ROMA 2017), AIIT (Italian Association for Traffic and Transport Engineering) is pleased to announce the 2nd edition of the International Congress TIS ROMA 2019, which will be held in ROME on 23rd - 24th September 2019 at ACI (Automobile Club d'Italia) Headquarters.

CALL FOR PAPERS

Abstracts should be up to 300 words long, in English, text only. At least 3 keywords should be provided. The full paper should not exceed 4000 words and the maximum number of pages should be 8, including abstract, figures and references. Presentation of the paper should last up to 15 minutes, including the time provided for discussions. The submission and review of abstracts and papers will be managed through "Easy Chair" (an online congress paper management system).

Accepted papers will be published in Transportation Research Procedia (Elsevier), indexed in Scopus.
A special issue of the
Journal "European Transport"
(http://www.istiee.org/te/)
with a selection of the best papers is planned.

Chair of the Congress:
